## Selected Works

### PORTFOLIO WEBSITE

<https://www.sakshamstha.com.np>

- Created a personal portfolio using React, Tailwind CSS, GSAP, Framer Motion, and Lenis.
- Designed smooth animations, scroll effects, and a minimal interface to enhance user experience.

### VAONIS

<https://vaonis.vercel.app>

- Developed a responsive clone website using Tailwind CSS, GSAP, and Lenis for seamless smooth experience.
- Focused on layout precision, performance, and minimalist design consistency.
