---

I'm Saksham Shrestha, a BCA student with skills in web development, design, and modern technologies. I'm passionate about creating clean, functional digital experiences, solving problems, and continuously learning to grow both personally and professionally.

---

## SELECTED WORKS

### RENTORA

<https://rentoraa.vercel.app>

- Developed Rentora, a modern accommodation booking platform featuring apartments, resorts and lake houses.
  - Built with Reactjs and Tailwind CSS to deliver dynamic layouts, and an elegant, intuitive user interface.
- 

### PORTFOLIO WEBSITE

<https://www.sakshamstha.com.np>

- Created a personal portfolio using React, Tailwind CSS, GSAP, Framer Motion, and Lenis.
  - Designed smooth animations, scroll effects, and a minimal interface to enhance user experience.
-
